Definition of Classes

A-STEP	=	Advanced level step
LO IMPACT/SCULPT	=	Beginner level aerobics class — 30 minutes of cardio & 30 minutes of strength training
GENTLE YOGA	=	Beginner level class — focus on intro to postures and developing flexibility
BSC AND BSC/STRETCH	=	Body sculpting — total body strength/conditioning class, w/ the latter portion focusing on stretch and flexibility technique
CIRCUIT INTERVAL TRAINING	=	Wake up in the morning with a workout that challenges the whole body. This high intensity training incorporates cardio training stations with strength training stations
CARDIO DANCE	=	High intensity hour of fun/stylish aerobic movement
YOUTH INDOOR CYCLE	=	Youth will learn the fundamentals of cycling. Youth will use the spinning bikes to cycle on as they are guided through an exciting journey in their imaginations. Participants must have a 28 inch inseam to use the spinning bikes
CARDIO INTERVAL	=	Class combines aerobic training and strength training in "interval" segments
CARDIO SCULPT	=	Non stop strength training class
CI & CI SCULPT	=	Combination impact hi/lo — high intensity class (the sculpt portion includes upper body and ab work)
CORE STABILITY	=	Stress the importance of the body's center of power — the core
DOUBLE STEP	=	class utilizes 2 platforms to create combinations
FUNCTIONAL CROSS TRAININIG	=	An advanced level class with an unique mix of aerobic & anaerobic conditioning, incorporating resistance & stability training
CARDIO KICK +ABS	=	This high intensity multi-level class combines an aerobic workout with latter portion focusing on Abs
LATIN GROOVE	=	A multi-level class that incorporates different Latin dance steps and rhythms in order to create a fun "hip shaking" cardio workout
PILATES	=	Functional strength and stretch class
POWER YOGA	=	Advanced level yoga class — focus on perfection of postures, increased flexibility and meditation
SPIN	=	Indoor group cycle
STEP INTERVAL	=	Class combines step and weight training in "interval" segments
STEP	=	A high intensity, low impact cardio class designed to develop cardiovascular and muscle endurance
STRETCH	=	Used to develop muscular and joint flexibility
TAKE IT FROM THE TOP	=	30 minutes of upper body strength training
YOGA	=	Technique used to develop the mind body connection and improve posture, strength and flexibility. The multi level classes are for all fitness levels
TOTAL BODY CONDITIONING	=	Total body workout using strength training techniques, reactive drills, and combinations from hi lo and step workouts. This class works the body's aerobic and anaerobic systems with several of the training techniques listed above. The best part is no two classes are ever alike.

SEPTEMBER
